Dear Mr. Gregory:

Section 25008.5 of the Public Resources Code requires the Department of General Services (DGS) to submit an annual report to the Legislature itemizing the sharing of benefits between the state and siting institutions which have elected to participate in the benefit sharing incentive applicable to energy projects. The attached Energy Project Benefit Sharing Report fulfills that requirement.

If you need further information or assistance on this issue, you may have your staff contact John Baca, Manager, Finance, Policy and Strategic Planning Section, Office of Energy Assessments, DGS, at 323-8777.

Very truly yours,

Barry D. Keene, Director
Department of General Services
